Greetings and Warmest Tashi Deleg to our Esteemed Sponsors, Donors, and Dedicated Humanitarian Partners from the Tibetan Homes Foundation,

It is with a profound sense of honor and sincere humility that I address you today, as I transition into a new capacity within the Tibetan Homes Foundation (THF) family. The Governing Body has entrusted me with the responsibilities of the General Secretary, an appointment effective September 25th, 2025. This appointment represents a deeper commitment to the mission I hold dear. As I embrace this new responsibility, I want to personally assure each and every one of you our invaluable partners of my unwavering dedication and integrity.

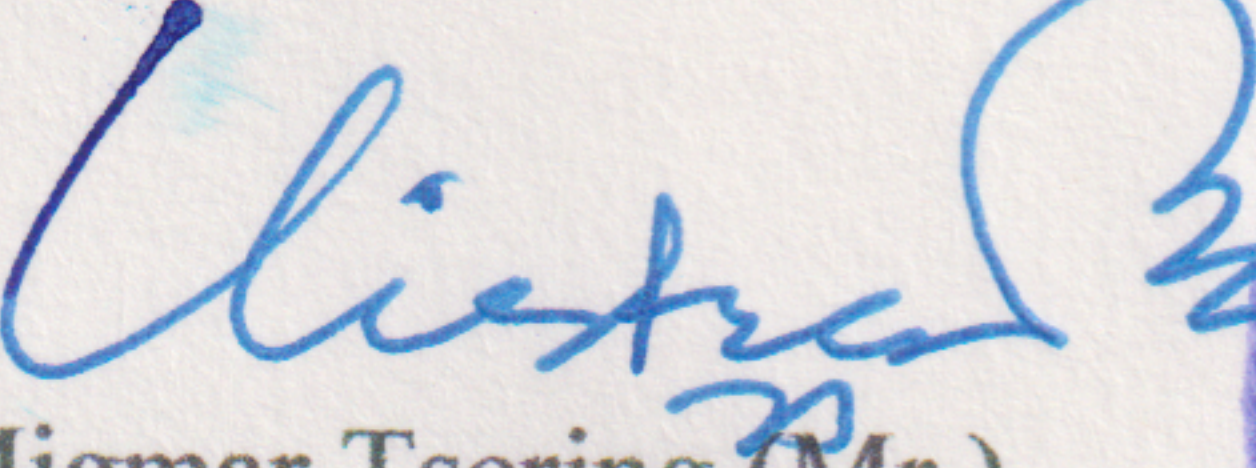

I fully recognize the essential and vital role your support plays in guaranteeing the long-term success and sustainability of our educational mission. The Tibetan Homes Foundation thrives entirely on your goodwill and generosity, and this is a principle I take to heart. My primary responsibility is to ensure the most effective and rigorously transparent utilization of every single grant and contribution entrusted to our care. Your trust is the foundation upon which we operate, and I am committed to upholding it without compromise.

Your humanity and generosity form the very bedrock of our mission. It is because of your sustained commitment that we have been able to empower thousands of children to lead self-reliant lives and become valuable, contributing members of their communities. This collective achievement is a source of immense pride for us all.

I am also deeply inspired by the growing involvement of our alumni and former staff who are actively stepping forward to reinforce our shared cause through various programs. I extend my most sincere thanks to this dedicated community; their participation strengthens our collective endeavor and fuels our ability to provide the best environment possible for the children of the Foundation. I remain profoundly grateful for the generosity that continues to reach us in so many meaningful forms.

I sincerely look forward to the opportunity of welcoming you to visit us in the near future.

With warmest regards,

Migmar Tsering (Mr.)
General Secretary
